The club was formed in 1956 and discontinued in 1963 when so many of the members had moved from the area. They were remembered for their first community venture which involved putting on a cabaret to raise money for a new fire hall in Boston Bar. Most of the members belonged to the Boston Bar Hall.

Events were organized under the Canadian National Recreation Association. As active members, the Birthday Club assisted the community in putting on dances and raising money for hall expenses. They were involved in the July 1st celebrations, decorating the Queen's car and seeing the Queen and her attendants were suitably attired.

The Birthday Club won first prize for with their truck floats for many years. There were approximately 22 members which included: Doreen Gray, Olga Forsman, Ella Dyck, Joey Thomas, Helen Smith, Mary Chalmers, Nellie Miscovitch, Mary Jarbeau, Bernie Hogan, Agnes Harrington, Fran MacDougall, Vimy Rickey, lone Ostopchuck, Margaret Reid, Ada Siddall, Evelyn Demoskoff, Gwen Abbott, Babs Saverekkam, Ruth Heward, Kay Tomlinson, Marian McKenna and Dorothy Brown.

I have their scrap book in the Museum with lots of great photos and comments from the ladies.

## BRIDGING THE PAST EXHIBIT

From May 25th to June 8, 2012, the BB Museum will be showcasing the **Travelling History Exhibit** which showcases the history of Hope, Yale and surrounding areas on large 4' x 7' panels. They show how language, culture and faith have shaped our communities. The History/Museum room at NBCP will be open on Sunday, **May 27th 1—3 pm** for a special showing.

ROSES to The Old Towne Inne for making a good first impression for visitors and traffic going through BB  
ROSES to Susan for helping get the history room #2 ready for May Days.

ROSES to Lloyd and Jaybel Forman for moving the memorial stone out of harms way during the pool renovations.

ROSES to the teachers who support the community in such things as: Counter Attack and May Day.

ROSES to the volunteers who showed up for Clean-Up Day in the Park.

The willow tree at Family Place caused a lot of root and leaf problems. Thank you to Terry Forman for use of his bucket truck, Mike Antypovich for taking down the tree and to Barb Cross for help with the clean up.

## C.O.P.

Since Citizen's on Patrol was started in April 2006, volunteers have logged in 4,633 hours. CRC rated the value, based on skilled volunteers at \$30 per hour, equalled a value of \$73,935. The data was obtained from patrol sheets from the last six years.

COP volunteers give more of themselves than what is on the log sheets. They care about this community and are working for you.

Boston Bar **Citizens on Patrol** is willing to do extra patrols around your home while you are away! It is really easy to do. Simply go to the Post Office and fill out a form. Patty Thomas will ensure that a notice goes to all the COP members and they will keep an eye on your property while you are on holidays. We are 100% funded by the communities we serve. Donations are gratefully accepted.

**THANK YOU** to all the businesses who donated to the Silent Auction at the Spring Fling. Thank you also to everyone who bid on the prizes.

**Community Meeting**

# Counter Attack

Arthur Davidson, Nick Clelland, Betty Davidson, and Russell White were part of the 350 delegates at the annual Canadian Youth Against Impaired Driving (CYAID) Conference held in Edmonton on April 19-22. All of the motivational speakers were very inspirational, as they discussed how they have overcome the barriers that others impose on them. There were many testimonials from victims who have been impacted by impaired drivers, which brought the crowd to tears. I am very proud of the students who attended this conference, as they have shown they want to make a difference in our community. The resounding motto that was heard continually over the weekend. **"Friends Don't Let Friends Drink and Drive"**. This motto will be with these students forever. Please take some time to talk to these students about their experience at the conference, and find out how you too can help carry this very important message to all community members in Boston Bar and North Bend.

Donna Kneller

**Congratulations** to the CounterAttack group for placing **3rd Place** in the RCMP Volunteer Photo Contest.
