UPDATE

MAY 2024

PREPARING FOR SUMMER...

As we look forward to a fun-filled season of barbeques, camping, gardening and water play, we're also approaching a time of year when many could be feeling very anxious about what the next few months could bring. Last year the wild fires moved in frighteningly close to us, putting community members on evacuation alerts and orders. Some folks experienced devastating losses. The reality is, we all need to be proactive as our climate changes. This past winter has left us with a lower than normal snowpack and our province is experiencing an ongoing drought. Long range weather predictions indicate we could again experience record-setting heat, intense storms and be facing yet another challenging fire season. British Columbians, all Canadians in fact, have been advised to be on high alert. For tips on how to safeguard your property and decrease the risk of wildfire damaging your home, go to firesmartbc.ca

Certainly, we are encouraged to be prepared for emergencies year-round. To that end, Director Johnson has provided some important links on page 13 of this issue for the benefit of all residents. Follow the links and learn *now* how to develop a plan of action and prepare emergency kits for your family members and pets. It's also a good idea for each family member to have "grab-and-go bags" in your home, vehicle and workplace in the event you are instructed to immediately evacuate the area.

In case you're thinking of having an open burn to get rid of debris on your property, be advised that currently there are no fire bans in effect for our **Coastal Fire Centre** but *before* lighting a fire of any size, always check the weather and wind conditions and most importantly, go to the government website to check for any changes to fire bans, which can occur very quickly. In your internet browser, just type in Coastal Fire Centre bans and restrictions - Province of British Columbia (gov.bc.ca) to determine the status of our area or check with the local authority, First Nations, etc. as they might have their own restrictions in place. **Be prepared and stay safe!**

Sincerest thanks goes to **EMIL ANDERSON GROUP MANAGEMENT SERVICES** for their generous donation of \$1000.00 to the Boston Bar North Bend Enhancement Society. Their donation is greatly appreciated. The Boston Bar North Bend Enhancement Society is a **registered non-profit society** comprised of dedicated volunteers who work to enhance the quality of life in our communities.

The next regular meeting of the BBNB Enhancement Society is on Monday May 13th at 6 pm at Canyon Lanes. Everyone is welcome to attend! We're also looking for volunteers who would like to help out with the July 1st Canada Day celebration.

The Annual General Meeting will be held on June 17th. If you're interested in running for election to the board of directors, Tom, Lori, or any other board member will be happy to answer any questions you might have.

Come and talk with us at the upcoming meeting on May 13th.

TIME FOR NDP TO KEEP EMERGENCY ROOMS OPEN

~Jackie Tegart, MLA Fraser-Nicola

British Columbians have witnessed a collapsing health care system for the past seven years. Frequent emergency room closures, burnt out staff, and a dire shortage of family doctors have left many without the medical care they need.

The B.C. Nurses Union recently organized a rally, calling for better supports as hospitals continue to face staffing shortages. Alongside fellow MLAs Shirley Bond and Peter Milobar, I heard about the profound mental and physical strain health care workers endure due to these ongoing challenges.

Open drug use in B.C. hospitals has been further exacerbating these already existing challenges. Since the beginning of the NDP's decriminalization pilot in 2023, 36 health care professionals have reported drug-related incidents to WorkSafeBC – 14 of them were nurses.

One such report revealed that methamphetamine had been smoked in a unit just hours after the birth of a newborn. This is putting both staff and patients at risk.

Under the former B.C. Liberal government, now BC United, our health care system was world-renowned. However, for the past seven years, the NDP have taken B.C.'s health care from first to worst.

We've led the country in healthcare before and we will do it again – United, we will fix it.

COURAGE AWARD RECIPIENTS

DIRECTOR'S REPORT

~ Diane Johnson, FVRD Director, Electoral Area A

I've attended a few meetings now to discuss healthcare and transportation through the Canyon. I have suggested that Fraser Health look into partnering with Northern Health to see if we could utilize their bus service that brings people to the city for specialist appointments. Not only do they take the patient but they also allow the caregiver to travel with them. I believe the bus travels from Prince George a couple of times a month and comes right through Boston Bar. Jackie Tegart our MLA is to look into this and explore the possibility.

On April 16th, I attended the work commencement of the 1926 Alexandra Rehabilitation Project and on April 20th, I attended the Clean-Up in Hope; their Earth Day Project.

Construction has begun at the Boston Bar Fire Hall to replace two bay doors.

BC Wildfire Service has a new and improved Interactive Map & Mobile App. Their public website is www.bcwildfire.ca You can also find them on Social Media: Facebook and Twitter. And BCWF on YouTube.

Boston Bar Elementary Secondary School NEWS

~Lisa Oike, Principal

Page 12

April at Boston Bar School was a whirlwind of activities and learning. After spring break, the school community came together for the *Pink Shirt Walk*, promoting kindness and anti-bullying—a vital message for all. The Easter celebrations brought joy with egg hunts, adding a festive touch to the return.

The Mastery term's conclusion saw students diligently completing their coursework, while Camp Week offered a diverse range of activities, from woodshop to Indigenous art, fostering new skills and cultural appreciation.

The "**Flow Warrior**" energized the school with an Art Starts presentation, inspiring students to discover their inner strengths.

The month culminated in the **Open House and Courage Awards**, presenting the learning from the grade 10-12 literacy class and celebrating the achievements of many. The school also embraced educational sessions on social, emotional, and cognitive development with our **ICY** team and training through the **Safe and Healthy Relationships Program** alongside the **Substance Use Prevention/Education Program** with the HATS family and youth services. Both opportunities further enriched our students' experience in term three.

Our Run Club participated in the **Sun Run** on Sunday, April 21st. Eleven runners took part with five athletes achieving their personal best time. WAY TO GO! And, a thank you for the organizational efforts of **Ms. Phibbs**, as BBESS welcomed the new Kindergarten students to our school during the annual "**Ready, Set, Learn**" event.

In May, as the school transitions into the Generosity Term, the focus is on maintaining excellent attendance and dedication to learning, and setting a positive trajectory for the remainder of the year!
