To the Boston Bar-North Bend Volunteer Fire Department, our neighbouring Yale Volunteer Fire Department, and so many others from around the province, THANK YOU for your courage, dedication and unwavering commitment to protecting our communities!

I am incredibly sorry for those of you who did lose your homes in the wildfire and more recently, whose homes burned down in Boston Bar. This has been a terrible tragedy for you all.

On a very personal note, and on behalf of myself and my family, I want to express our deepest gratitude for successfully saving our homes when the fire came back down the mountain and tore through our property. In spite of our losses, we are so very thankful!

The Landfill Society was pleased to contribute over $10,000 towards the Community Wildfire Relief Festival. We were also very happy to work together with the Boston Bar-North Bend Enhancement Society and Niya Healing Society to help make this event possible for our community following this summer's wildfires.

The festival received generous financial and in-kind support from many organizations and local businesses, including the United Way, the Salvation Army, Blue Lake Resort, Boston Bar First Nation, Eagle Disposal, Molly's Comedy Cabaret, Vancouver Canucks, RONA, VanCity, Valley Waste, ABC Recycling, Western Wildfire Protection, Boothroyd Indian Band, Coconut Comedy, Canyon Disposal, Envision, Buy-Low Foods, Burden Propane, Canyon Alpine Motel, Valley Protective Services, Glowing Orchid Organics, Sparkes Corn Barn and The Lotus Hideaway.

This update was written before the newsletter's deadline, so by the time you are reading this, we hope everyone enjoyed themselves and that the Community Wildfire Relief Festival was a great success!

Once the final accounting is complete, we will include a more thorough list to thank the many volunteers, businesses and organizations that helped make the event happen. With so many people stepping up to help, we may have also missed a contributor or two in this early list.

At the landfill, the recent maintenance work has now been completed and operations are back to normal, including the scale being fixed after the lightning storm.

Finally, our **Annual General Meeting** will be held **October 10 from 2:00–4:00 p.m. at Canyon Lanes**. There will also be an election for one director. All property owners within Area A are welcome to attend. Membership is free.

Boston Bar 'Area A' Landfill Society

IDENTIFICATION REQUIREMENTS

Resident electors: 2 pieces of identification (at least one with a signature) which should together prove both residency and identity.

Non-resident property electors: 2 pieces of identification to prove identity (at least one with a signature) AND proof that you are entitled to register in relation to the property (title search or, tax notice AND, if applicable, a consent form signed by the other owners of the property).

MAIL BALLOT VOTING

Voting by mail is available to ALL electors if an application is received by 12:00 (noon) October 9, 2026. Please contact the Chief Election Officer or visit www.fvrd.ca/elections for more information

FRASER VALLEY REGIONAL DISTRICT REPORT ~ Diane Johnson, Director, Area A

Time seems to be flying by! I had a jam-packed week spent at UBCM (Union of British Columbia Municipalities). A couple of highlights for me was having the opportunity to speak to the Minister of Forests, Ravi Parmar. I requested a round table discussion about the Brunswick Fire Complex and he has agreed. I'm not sure how it will all shake out now with the Premier having called an early election, but I will be emailing Minister Parmar again, so our meeting is not forgotten.

The other highlight was having our resolution pass to amend legislation to grant the Agricultural Land Commission and relevant provincial agencies the authority to immediately seize equipment involved in illegal fill dumping activities on Agricultural Land Reserve Lands, drawing on regulatory authorities used by WorkSafeBC, Occupational Safety Officers and BC Conservation Officers.

We've also been receiving **donations** which is very much appreciated. I had asked staff to apply for a CPKC (Canadian Pacific Kansas City) grant and we were awarded a one-time donation of $10,000! This money will be used towards the purchase of the fire department's fire apparatus, (protective equipment and vehicle upgrades). Also. materials valued at $3300 were donated by Southern Drip Irrigation (Chilliwack Cultural Committee) and will be used to build a gear drying rack for our volunteer fire department.

I'm also happy to have been part of the steering committee and advocated for the **specialist clinic**, opening soon to serve District of Hope, Areas A and B plus First Nations in this area. The clinic is to serve these areas only, which will help by not only saving people travel but also by getting them in quicker for an appointment. The clinic is opening on December 1, 2026.

I got word on Sept 24th from Corally Delwo, the Constituency Executive Director for Tony Luck, asking that I remove a graphic for a Town Hall Meeting with Mr. Luck from our Facebook pages because they have now switched to campaign mode and anything saying "MLA" cannot be used online or in the public. I was prepared to cancel the event but as an incumbent, Mr. Luck has insisted on coming to our community to discuss the aftermath of the Brunswick Fire Complex and any other concerns that our citizens have. Be sure to mark your calendars for Mr. Luck's visit on October 9th and bring your list of questions and concerns for discussion.

There has been talk of arranging an all candidates meeting for the provincial candidates, but I don't know if this can actually come to fruition, considering the time constraints. The BC Election Final Voting Day is October 24th.

What should people reasonably expect from their Area Director?

By Brittany Alenius

When residents raise a concern with their Area Director, they deserve serious attention, useful answers and follow-through. Even when an issue is complicated, people should know who is responsible, what can be done and what happens next.

My nonprofit leadership experience includes managing budgets, staff, public funding and complex community programs. I bring a commitment to research, practical problem-solving and questioning whether existing approaches deliver results.

For Area A, that means examining spending before asking residents to pay more: what works, what could be cut or changed, and whether costs and services are distributed fairly. Decisions should come with clear explanations.

Local knowledge must guide that work. Residents, First Nations, community organizations, workers, businesses, families, seniors and young people bring experience I approach with humility. My experience does not replace theirs.

I will hold monthly town hall meetings, open to every community member, where residents can ask questions, provide feedback, discuss concerns and help shape priorities. I will report on progress, explain delays and follow up on commitments.

I will remain available between meetings.

I will also take the lead in convening a Canyon Corridor Advancement Table, inviting every community and First Nation throughout the corridor to collaborate on revitalizing our beautiful Fraser Canyon. Together, we can pursue shared priorities while respecting each community's priorities and each Nation's governance.

I cannot promise to fix everything. I can promise preparation, accessibility, honest explanations and sustained effort. Trust requires work people can see and follow-through they can count on. Area A deserves that representation.

Elect Brittany Alenius
