EMERGENCY AND EVACUATION READINESS FOR OUR COMMUNITY

We continue to encourage all residents, *especially those who are new to our community*, to frequently review their emergency plans, refresh grab-and-go kits, and reach out to anyone who may need support.

We all learned this summer that when emergencies strike in the Fraser Canyon, they often move quickly. As well as wildfires, landslides, flooding, train incidents, and extreme weather can all trigger sudden evacuation alerts. Our community is remote, with limited road access and long distances to emergency services, so being prepared is one of the most effective ways we can protect ourselves and support one another.

Understanding Evacuation Stages:

Local authorities use three clear stages during emergencies. **Evacuation Alert:** conditions may be changing. Residents should be ready to leave at any moment. Pack essential items, gather pets, and stay tuned to official updates. **Evacuation Order**: This means leave immediately. Remaining behind puts both residents and responders at risk. **Evacuation Rescind** — The order is lifted and it is safe to return home.

Household Readiness:

Every home should have a basic emergency plan and a grab-and-go kit. Include medications, identification, water, snacks, chargers, and copies of important documents. Always keep a vehicle kit with blankets, a flashlight, tools, and a paper map in case cell service is down. For seniors or anyone with medical needs, aim for at least a seven-day supply of essentials.

Transportation Planning:

With few routes in and out of our canyon, road conditions can change quickly. Know your primary and secondary evacuation routes and try to keep your vehicle fuelled *above half a tank* all year round. Check in with neighbours who may need transportation support.

Pets and Livestock:

Evacuations often become more stressful when animals aren't prepared. Have carriers, leashes, food, water, and vet records ready. If you care for livestock, identify relocation options ahead of time.

Community Coordination:

The strength of our small community lies in looking out for one another. Maintaining a community contact tree, a list of residents who may need extra assistance, will help ensure that no one is left behind. Emergency Support Services (ESS) may activate reception centres if needed.

Staying Informed:

Sign up for FVRD emergency alerts (Alertable app) and follow updates from BC Wildfire Service, DriveBC, and Emergency Management and Climate Readiness. For neighbours without internet or cell service, a quick check-in with them can make all the difference.

A Shared Responsibility:

Evacuation readiness isn't just about responding to danger — it's about building resilience. When each household prepares, the entire community becomes safer, calmer, and more capable during fast-moving events.

FRASER VALLEY REGIONAL DISTRICT REPORT ~ Diane Johnson, Director, Area A

First and foremost, "THANKS" to our VOLUNTEER FIRE DEPARTMENT for doing an Outstanding Job protecting our community!

Welcome Home to all that have been able to return to their homes. I know we still are facing many challenges but at the same time counting our blessings.

I am glad to share that the province of BC undertakes the lead role on *Post Wildfire Natural Hazard Assessments*. The information and process are publicly available on this web page: https://www2.gov.bc.ca/gov/content/safety/wildfire-status/recovery/wildfire-land-based-recovery/post-wildfire-natural-hazard-risk-analysis

Staff from the province have reached out to the EOC to advise that the first steps in this process have been initiated. Additionally, the *Post Natural Wildfire Hazard Hub* might be of interest to some. Questions about land-based recovery for Crown lands can be sent to:WildfireLandBasedRecovery@gov.bc.ca

EVENTS BEFORE THE BRUNSWICK COMPLEX FIRE...

June 29th- **Coffee with a Cop:**

Staff Sergeant Mike Sargent along with Sean and Brett presented a workshop on Fraud/Scam. It was very informative and handouts were available for people to take. Any remaining pamphlets went with Postmistress Amber for residents to pick up at the post office. Following the workshop was a Q&A session about residents' concerns. Those who attended were glad they did.

Many thanks goes to the BB-NB Enhancement Society for supplying coffee and we're grateful also to Boothroyd for the fruit and goodies.

July 1st - **Canada Day:**

There was a good turnout of our community at this event. The weather was perfect for a swim in our beautiful pool. Everyone enjoyed the BBQ hotdogs with all the fixings, potato chips, pop, freezies and Canada Day cupcakes. Many thanks to Jenny for being "chief cook " and to everyone who helped make the day a great success! I am looking forward to more community events, currently in the planning phase, over the next month or two.

I have invited our MLA Tony Luck to come to a **Town Hall Meeting** sometime in September. He would like to listen to residents' post-fire concerns and discuss civic politics.

I will try to arrange an early evening meeting during the week, as I realize people like to head out of town on weekends.

BEGINNING THURSDAY SEPTEMBER 10th JOIN US FOR

THE WEEKLY 55+ SENIORS' SOCIAL HOUR AND DINNER

at Boston Bar Community Hall. Doors open at **4 pm ~** Dinner at **5 pm**.
Please remember to bring your own plates and utensils!
***** FIRST COME, FIRST SERVED *****

LION'S BINGO starts at 6 pm

SENIORS' TEA & SOCIAL TIME at BB Hall is on Tuesday, September 22nd **1—3 pm**

Coffee, Tea and Pastries will be served.

Funded by the Government of Canada's New Horizons for Seniors Program | Canada

FOOT CARE SPECIALIST Deanna will be in Boston Bar on September 16th.
To book an appointment, please call **Ang Hunter** at 604-**790-1691.**

DENTAL HYGIENIST Amy will be here on September 16th, 17th & 18th
To book an appointment, please call **Tom Durrie** at 604-**860-5121**.

These FREE health services available to ALL AGES are made possible by Lions Bingo and the Boston Bar-North Bend Enhancement Society.

Due to residents still returning from their evacuation orders,
September's meeting will NOT be on the first Tuesday of the month.

Join us for a regular meeting of THE BOSTON BAR NORTH BEND ENHANCEMENT SOCIETY

Tuesday, September 8th at 6 pm at Canyon Lanes

FOOD BANK DAYS (Wednesdays) from 11am—2pm at Canyon Lanes.
Please go the rear doors of the building to receive your hamper.

Anyone requiring food bank assistance can pick up an application at Canyon Lanes, at 47585 T-C Highway. Return the completed application to the Lanes. For more information, please contact Food Bank Manager, **Tami** at 604-**378-2371** or leave a message at 604-**867-8828** or send an email to bbnbfoodbank@gmail.com

Hamper Days 2026

SEPTEMBER 16
OCTOBER 14
THURSDAY NOVEMBER 12
DECEMBER 9

BBESS continued...

SCHOOL KITCHEN RENOVATION

Renovations to our school kitchen are currently underway. The improvements will help us continue to provide important food and nutrition programs for our students throughout the school year.

We appreciate everyone's patience while this work is being completed and look forward to putting our renovated kitchen to good use.

BRUNSWICK CREEK & AINSLIE CREEK WILDFIRES

The Brunswick Creek and Ainslie Creek wildfires have had a significant impact on Boston Bar and the surrounding community.

At one point, the fire burned to within approximately **50 feet of the school fence line**. Fortunately, the fire did not reach the school grounds or damage the school building.

During the wildfire response, fire crews used the school field as part of their operations. As conditions changed, crews had to leave the field quickly. The movement of vehicles and equipment may mean that some work will be required to level and restore portions of the field before it is ready for regular student and team use.

We are extremely grateful to the firefighters, emergency personnel, community members, volunteers, and everyone who has worked to protect Boston Bar and support our community during this difficult time!

SCHOOL GENERATOR PUT TO THE TEST

During the community power outage, the school generator operated successfully and continued to provide power to the school.

It was reassuring to see this important piece of emergency infrastructure working as intended during a time when much of the surrounding community was without power.

LOOKING FORWARD TO BEING TOGETHER AGAIN

This has been an unusual and challenging end to the summer for Boston Bar. We recognize that families may be returning to the community at different times and that the reopening of Highway 1 will play an important role in our return to regular routines.

September 8th remains our planned first day of school**.** Depending on conditions in the community, we may begin in person as usual or, if necessary, begin online until circumstances allow us to safely resume regular in-person school operations.

We ask families to watch for further information as we get closer to opening day.

Most importantly, we are looking forward to reconnecting with our students and families.

Schools are about much more than classrooms and lessons. They are places where children, families, staff, and community come together. After the challenges our community has faced this summer, that sense of connection and community feels especially important.

TAKE CARE, STAY SAFE, AND WE LOOK FORWARD TO BEGINNING THE 2026–2027 SCHOOL YEAR TOGETHER — WHETHER OUR FIRST HELLO IS IN THE CLASSROOM OR ONLINE.

Boston Bar Elementary Secondary School ~ Bruce Relland, *Principal*

Back-to school community update

As we prepare for the **2026–2027 school year**, we would like to share some important updates with our Boston Bar Elementary Secondary School families and community.

School Opening – September 8th, 2026

Boston Bar Elementary Secondary School is scheduled to welcome students back on Tuesday, September 8th, 2026.

We recognize, however, that the beginning of school may look a little different this year. The return of families to the community, the reopening and accessibility of **Highway 1**, and the needs of our community following the recent wildfires may affect how our first days of school unfold. While our hope is to welcome students back to the school in person, the school year *may* begin with online learning if circumstances require it. This option would allow us to begin reconnecting with students and supporting their learning while families return to the community and regular school operations are restored.

Any decision to begin online would be based on the needs and safety of our students, families, staff, and community. We will continue to work closely with the School District and our community partners and will communicate with families as plans are confirmed.

Whether we begin together in our classrooms or connect online for a short period, our goal remains the same: to make sure every student feels welcomed, connected, and supported as we begin the new school year.

Kindergarten & New Student Registration

We will be accepting Kindergarten and new student registrations beginning Monday, August 31st, 2026. Families who are new to Boston Bar or who have a child entering Kindergarten are encouraged to contact or visit the school to complete registration. Registration arrangements may be adjusted if access to the community continues to be affected.

We look forward to welcoming our newest students and families to the Boston Bar school community!

StrongStart Begins September 14th

Our StrongStart program is scheduled to begin Monday, September 14th, 2026. We are excited to welcome our youngest learners and their families back to the school and look forward to another year of learning, playing, connecting, and growing together.

Our 2026–2027 Teaching Team

We are pleased to welcome back both familiar and new faces for the coming school year.

- ◊ **Mr. Relland** will continue as Principal of Boston Bar Elementary Secondary School.
- ◊ **Mrs. Jody** will be teaching our **Grades 9–12** students.
- ◊ **Mrs. Jenelle** will provide **Language and Art instruction and preparation relief**.
- ◊ **Mr. Watchorn** will be teaching our **Grades 4–8** students.
- ◊ **Mr. Chaudhary** will be teaching our **Kindergarten–Grade 3** students.

Our staff are looking forward to welcoming students back and continuing to provide a caring, supportive, and engaging learning environment for the children and youth of Boston Bar.

http://www.caretransit.ca/medical-rides

You can reach **Hope Care Transit** during the following times:
Monday to Friday *9:00am — 3:30pm*.
Care Transit requires 48 Hour notice prior to appointments

AWAY FROM IT ALL, LIKE IT OR NOT ~ *Tom Durrie*

It isn't as though I haven't spent a month or more way from home, but this time it was different. When you go away on a holiday, you're going for some special reason, either to see new things, relax in the sun, visit friends or family, or just get away for a while. This time it was different. I didn't choose to spend a month in one motel room in Hope. I can tell you that it can easily become depressing. I mean, how much television do I want to watch? Actually little or none, but what else have I got but some reading and following affairs back home via Facebook. And that's what this is leading up to.

Wow! I never knew there were so many people, often anonymous ones, with so many opinions about who's right and who's wrong, and who should have done what, and who knows what they're doing and who doesn't. Where did all these people come from? Apparently, judging from their vigorous and often vituperative opinions, they live here and are keen observers of the local scene. At last, I thought, here are people who know what's going on around here, but how come they're not seen in what's going on around here? Are they volunteering for the fire department, helping with the kids' Halloween party, lending a hand to Margaret cooking seniors' dinners, pitching in to set up for Canada Day or Remembrance Day, contributing to the Update, turning up to join in on the work of the Enhancement Society, and even getting together with others to work to improve the lives of local citizens, kids and seniors? Perhaps I judge harshly, maybe they are volunteering out there, just anonymously--and invisibly.

Don't get me wrong! I got a kick out of reading the Facebook exchanges. At least there are some incisive and very articulate critics out there. Great! Now come on out, show your face, say hello, and let's get something done.

The next regular meeting of the BB-NB Enhancement Society is
Tuesday, September 8th, 6 pm at Canyon Lanes. We hope you'll join us!

Crib Night Saturday, September 12th at Lotus Hideaway at 4:45 pm

Hope we see all our regulars and some newcomers there for a fun evening.
Three games of crib, good food and a great chance to socialize.
You do not need to be an experienced player - we play for fun!
$2.00 to play, low score player male and female get their $2.00 back.
The high score male and female will split the pot.
If you have a crib board and cards, bring them along. It's lots of fun.

(For the next September date of Crib Night look for
time and date and place on the Boston Bar Facebook page).
